SPORT AND FAMILY DESTINATION

DESTINATION

THE MEDOC ATLANTIQUE, a destination with a variety of landscapes and activities.

The Gironde estuary is the largest in Europe, the result of a magical mingling of the Dordogne and Garonne rivers. Overlooking the Atlantic Ocean, it's the ideal place for walks, with its many landscapes full of treasures to explore, such as lighthouses, colourful carrelet fishing huts, markets and gastronomic heritage.

Lac de Lacanau and Lac de Carcans-Hourtin are linked by the Canal des Étangs, forming a paradise for water sports enthusiasts. At 6,000 hectares, Carcans-Hourtin is one of France's largest freshwater lakes. It has eight lifeguarded beaches, the eastern part is a Natura 2000 area and on the west side you'll find the pretty village of Piqueyrot in Hourtin and the famous Domaine de Bombannes, a veritable oasis of nature in Carcans Maubuisson.

While its geography is surprisingly unusual, this destination is above all a land of possibilities connected to the ocean. Its diverse nature is surprisingly reminiscent of another West Coast, blending a variety of landscapes, from pine forests to vineyards, a ribbon of wild beaches, an estuary, marshes and lakes. This little taste of California in Bordeaux offers you a true getaway, a return to basics.

Hourtin Port offers a multitude of activities: water sports on the lake, bike hire, mini-golf, wakeboarding with a boat or in the park on the edge of Bird Island, splash park, fishing and more. At Hourtin Port, you'll be spoilt for choice when it comes to sport and leisure activities.

Hourtin Port is a special place on the edge of the lake around 2.5 km from town. It was built in the 1980s during the boom in tourism on the Atlantic coast.

The marina has a capacity of around 500 berths and provides a very pleasant marine atmosphere.

Hourtin Port features two large, beautiful beaches where you can enjoy water that's warmer than the ocean!

Hourtin Plage is around 10 kilometres west of Hourtin Port and offers surf lovers an exceptional spot. Although much less popular than Lacanau, the surf spots at Hourtin Plage are similar, offering long, ideal waves formed by swells, sandbanks and wind.

Hourtin Plage is an ideal starting point for cycling enthusiasts, located in the middle of the Gironde coastline.

The pedestrian-only Île aux Enfants is entirely focused on children. It features everything our young adventurers could hope for: a wooden fort for apprentice knights, a rope pyramid and a gigantic spider's web for budding climbers, a playground with all sorts of features and a host of activities put on by the organisers of this aptly named island.

Hourtin Port also offers restaurants and shops close to the lakeside.

WATER ACTIVITIES

Hourtin offers a wide range of leisure activities and water sports in the lake and the ocean! They include stand-up paddleboarding, aqua speed racing, water skiing and wake boarding, sailing, kayaking, kite surfing, and wave skiing.

SURFING

From Lacanau to Verdon-sur-Mer, there are a multitude of surfing spots along 120 km of coastline, favoured with good weather conditions and set in unspoilt countryside. Surfing is a way of life and a state of mind that can be found in Hourtin!

WINE TOURISM

Explore the famous Route des Châteaux, through the Médoc vineyards and the world's most prestigious wine estates. Médoc vineyards have built up a worldwide reputation, marked by the classification Napoleon III ordered in 1855.

Lose yourself in this ocean of vines, take the back roads and let yourself be carried away by these evocative names: Margaux, Pauillac, Saint- Estèphe, Saint-Julien, Moulis, Listrac. All seasons are ideal for exploring the vineyards.

Plus, there's no shortage of good restaurants in the Médoc region.

TERRA AVENTURA

Download the free Terra Aventura smartphone app and you're ready for a family adventure! There are clues to find, riddles to solve and treasure to search for as little ones and grown-ups explore the playground of their choice... with the excitement of finding the holy grail: the Poi'z.

This fantastic world is a great way to share special moments with your children and discover often unusual places.

LA VÉLODYSSÉE

La Véloodyssée, the French section of the Atlantic Coast Route - EuroVelo 1, is a cycle route that crosses Brittany and follows the Atlantic coast to the Basque coast along a wild and invigorating route.

It's a 1200 km cycle tour with the ocean as a backdrop! Between Roscoff and Hendaye, 70% of the journey is car-free.

Here the route from Hourtin Plage to Bassin d'Arcachon is 63 km.

HIKING TRAILS

Set off to explore Hourtin and its nature reserve on hiking trails, routes or marked circuits. Check out a range of walking routes from Pointe du Verdon-sur-Mer to Bassin d'Arcachon so you can explore the Routes of Santiago de Compostela with total peace of mind.

LAC D'HOURTIN

One of the world's largest natural freshwater lakes in France!

The lake is great for swimming, but there are also plenty of water activities on offer, including stand-up paddleboarding, sailing, kitesurfing, pedaloing and canoeing! You can also enjoy fishing and boat trips. Savour a picnic on Île aux Enfants, a paradise for the very young. After Hourtin Port, explore charming little spots such as Piqueyrot, an old fishing village on the edge of the nature reserve.

Terrésens Atlantique is a subsidiary of the Terrésens Group.

• DESIGN AND BUILD

Our Group starts work as soon as a real estate opportunity is found. Following a thorough study conducted by our development department, we carefully select our sites. This choice is key because it ensures the best investment: “location, location, location” is our motto. We then take the following steps: property market studies, benchmarking, project design with our architects and rental assessments conducted by our management service. As regards actually building the residences, we act as property developer, co-developer and/or end-user representative.

• MARKET AND ADVISE

Immoé, a subsidiary of the TERRÉSENS Group, markets the properties (apartments, chalets, villas, etc.). To reduce the number of middlemen, we operate with our own network of consultants in France and abroad.

• MANAGE (OPTIONAL FOR OWNERS WHO SO WISH)

For owners who so wish, the Terrésens Group can accompany them from A to Z when they rent out their property on a seasonal basis.
